

Announcing the 2017 Season of Historic Irvington Walking Tours

For the third year in a row, the Irvington Community Association's Jim Heuer and Robert Mercer, local historians, and owners of the Nicolai-Cake-Olson House, will be conducting walking tours for neighbors and friends on 4 Saturdays this summer.

Tours will be held on the following Saturdays starting at 10am:

June 10

July 15

August 5

August 19

Tours last approximately 2 hours and cover about 1-1/2 miles. There is no charge but there is a recommended donation to the ICA's Historic Preservation Committee of \$10 per person. For those of you who have taken the walking tour in the past, the tours in 2017 will cover the same itinerary.

Please make a reservation by emailing Robert@househistorypdx.com including the number in your party and your preferred date.
